We are pleased to provide you with the latest edition of U.S. Senator Jeff Sessions' Weekly Grants Advisory. Senator Sessions is proud to support efforts to improve our state's communities, and is happy to provide the following information as a service to constituents seeking to explore federal grant opportunities. Please do not hesitate to contact Michelle Tims for more information, technical assistance, or support for your application. If you have questions about issues or any other concerns, please contact our field representatives or caseworkers in the nearest office to you. We have offices in Mobile, Montgomery, Birmingham, Huntsville and the Wiregrass.

Note: This e-mail provides current select grant solicitations available through various federal agencies. For more information on program eligibility and guidelines, please click on the link provided to be directed to the official announcement at Grants.gov. To unsubscribe to this service, please respond to this e-mail and put "UNSUBSCRIBE" in the subject field.

Cyberlearning: Transforming Education

Purpose: To integrate advances in technology with advances in what is known about how people learn to better understand how people learn with technology and how technology can be used productively to help people learn, through individual use and/or through collaborations mediated by technology; better use technology for collecting, analyzing, sharing, and managing data to shed light on learning, promoting learning, and designing learning environments; and design new technologies for these purposes, and advance understanding of how to use those technologies and integrate them into learning environments so that their potential is fulfilled.
